

Stanley Park Lawn Bowling Club
Report to AGM - November 2021
Nominating Committee

I was again joined by Katherine Hume and Robert Prud'Homme, who provided advice, suggestions, and support as we moved toward presenting a list of candidates for the Board of Directors for the 2022 bowling season. I thank them for their participation.

Please refer to the By-Laws (Parts 3 and 4) that outline how the Club is governed and how elections are held. The important thing to note is that every position is available every year and that a person can hold a position for up to four consecutive years. The Nominating Committee ensures that each Board nominee is a member in good standing and is prepared to serve. There can be more than one candidate for each position.

Another thing to note is that the Board of Directors is the governing body that focuses on strategic development as well as ensuring support for all Club Operations. As such, every Board member works closely with Team Leaders to ensure good two-way communication.

We had an open call for nominations via the Newsletter on September 17th. This year we present a list of (a) some Directors willing to serve another year and (b) some new members willing to serve. Elections will be held at the AGM.
